

## CARGO INSURANCE

By request, CTi offers a complete package of insurance services including full cargo insurance in value of 100% at most favorable conditions.

By eliminating any possible risk of freight forwarding we guarantee to our customers the total safety of shipment and reimbursement for damage or loss of freight under FENEX conditions.

### THE APPLICABLE CONDITIONS

the Dutch Forwarding (FENEX) Conditions shall apply to all forwarding activities – including the performance of any customs formalities. Contracts of international carriage of goods by road are governed by the CMR convention and supplementarily, to the extent permissible by law, by the General Conditions of Transport (AVC 2002).

Domestic carriage shall be performed subject to the AVC 2002. Contracted storage and ancillary services shall be exclusively subject to the FENEX Terms and Conditions for Value Added Logistics. All conditions, latest versions to apply, shall be supplied upon first request, are available via the Rotterdam court registry and may be downloaded, printed and stored via following website:
